Southern Nevada Health District

Maternal Child Health Programs

Nurse-Family Partnership partners low-income women pregnant with their first child with a Registered Nurse early in the pregnancy. Each mother served by the program receives ongoing nurse home visits that continue through their child's second birthday. Nurses provide education, resources, and breastfeeding support in the home

- Contact: 702-759-0779

The Healthy Start Program provides home visiting services from a community health worker who will provide education, support, and linkage to available community resources. This home visiting program is free and voluntary. To enroll, a woman must be pregnant or have a child younger than 12 months old.
